

## ABOUT EPILEPSY

Epilepsy is more common than Muscular Dystrophy, Multiple Sclerosis, Cerebral Palsy and Alzheimer's combined! 1 in 26 Americans have epilepsy. Epilepsy can happen to anyone, at any age, and at any time.

## OUR MISSION

The Epilepsy Association of Central Florida is dedicated to improving the quality of life for children and adults with epilepsy and seizure disorders throughout Central Florida. Not only does EACF provide services for those with epilepsy and seizure disorders, but we also offer many programs and opportunities for your office, community, or group to learn more about epilepsy.

*100% of the proceeds from this event benefit the programs of the Epilepsy Association of Central Florida*
